## Post a Job Opportunity or Internship on Stags4Hire

Stags4Hire is Fairfield University's primary job and internship posting resource. Fairfield undergraduate and graduate students, and alumni, have complete access to the site. Stags4Hire provides employers with 24/7 access to job posting and candidate applications. Employers also have the ability to schedule interviews and utilize our on-campus interview facilities.

When you know that a Fairfield student is applying for an opportunity at your company, you can support them by being a resource and facilitating their application through the hiring process.
