

*Office of the Dean of Students*

To: All Undergraduate, Graduate, and Part-Time Students

From: William H. Johnson, PhD, dean of students

Re: Parking

All students are required to park in designated parking areas. Failure to following parking rules will result in tickets, vehicle immobilization, and/or towing. For more information regarding parking on campus, visit the parking office web page at [www.fairfield.edu/parking](http://www.fairfield.edu/parking).

Fairfield does not have the ability to accommodate first-year students and sophomores with vehicles. Violations of this policy will be documented and referred to our office, in addition to any ticket or towing charges assessed to the offender.
